Web Developer

Hi! I'm Adrian Alain Portaje, currently a student and an aspiring **Full Stack Web Developer**. This will be the beginning of my journey.

About

Hi! I'm Adrian, I recently graduated from CQUniversity taking up Bachelor in Digital Media and currently enrolled to a Full-time web developent accelerated course in Coder Academy. I'd like to pursue my career as a Web Developer. During my pastimes I always like to play basketball with my friends or travel and eat.

Before I came here in Australia, I was working in the Philippines as an SEO Specialist but after 2 years of working, I decided to go to Australia to study and gain more work experience.

A screenshot of a dark-themed website for a web developer. At the top, there is a navigation bar with links for Home, About, Project, Blog, Contact, and a logo icon. The main heading is "Web Developer". Below the heading is a brief introduction: "Hi! I'm Adrian Alain Portaje, currently a student and an aspiring Full Stack Web Developer. This will be the beginning of my journey." A large emoji of a person with glasses and a tongue sticking out is centered below the text. The section titled "Recent Work" features a photograph of hands typing on a laptop keyboard. Below this is another image showing a computer screen displaying code in a terminal window.

A screenshot of an "About" page from the same website. The page has a dark background with a large, bold heading "About". To the right of the heading is a large emoji of a person with glasses and a tongue sticking out. The page contains two paragraphs of text. The first paragraph introduces Adrian, stating he recently graduated from CQUniversity and is currently enrolled in a Full-time web development accelerated course at Coder Academy. It mentions his hobbies of playing basketball, traveling, and eating. The second paragraph describes his previous work experience as an SEO Specialist in the Philippines before moving to Australia. At the bottom of the page is a "DOWNLOAD MY RESUME" button and social media icons for GitHub and LinkedIn.
